Online Assessment Guidebook

Manuals

Before you appear for the Actual Assessment, make sure your system meets the Software and Hardware Requirement for the Online Assessment. Based on your preferred device, please click on the link below to configure your system.

- System Requirement – Laptop/Desktop

Please refer to below links if you face any error during the assessment.

- Frequently Asked Questions – Laptop/Desktop

Please ensure to read and thoroughly familiar with Do's and Don'ts as contained in below link before taking an Online Assessment

- Do's and Don'ts

Table of Content – System Requirement for Laptop/Desktop

1. System Requirement for Online Assessment
2. Install Web Browser – Google Chrome, Firefox, Microsoft Edge (latest version)
3. Update Web Browser (latest version)
4. Steps to allow Webcam and Microphone
5. Clear Cache from your System
6. Download and Install Safe Assessment Browser (SAB) Tool
7. Possible errors while downloading files
8. Possible errors while opening Safe Assessment Browser (SAB) Tool

Return to Main Page

1. System Requirement for Laptop/Desktop

- ✓ Supported Devices – Desktop, Laptop
- ✓ Operating System – Window 7 or above
- ✓ Browsers – Google Chrome, Mozilla, Microsoft Edge (latest version). Strongly Recommended – Google Chrome
- ✓ Adobe Flash player
- ✓ Java Script must be enabled
- ✓ Disable Antivirus
- ✓ Minimum Internet Bandwidth required– 4 Mbps
- ✓ Ensure Time in the system is set as IST
- ✓ Webcam and Microphone is mandatory
- ✓ Safe Assessment Browser (SAB) Tool

How to:
? Install Web Browser
? Update Web Browser
? Give access to Webcam and Microphone
? Clear Cache from the system

To check the working functionality of your Webcam and Microphone, use the following link –

https://assess.cocubes.com/check-system

Please note – Assessment will not run in any iOS devices like – iPhone, iPads, Macbook etc.

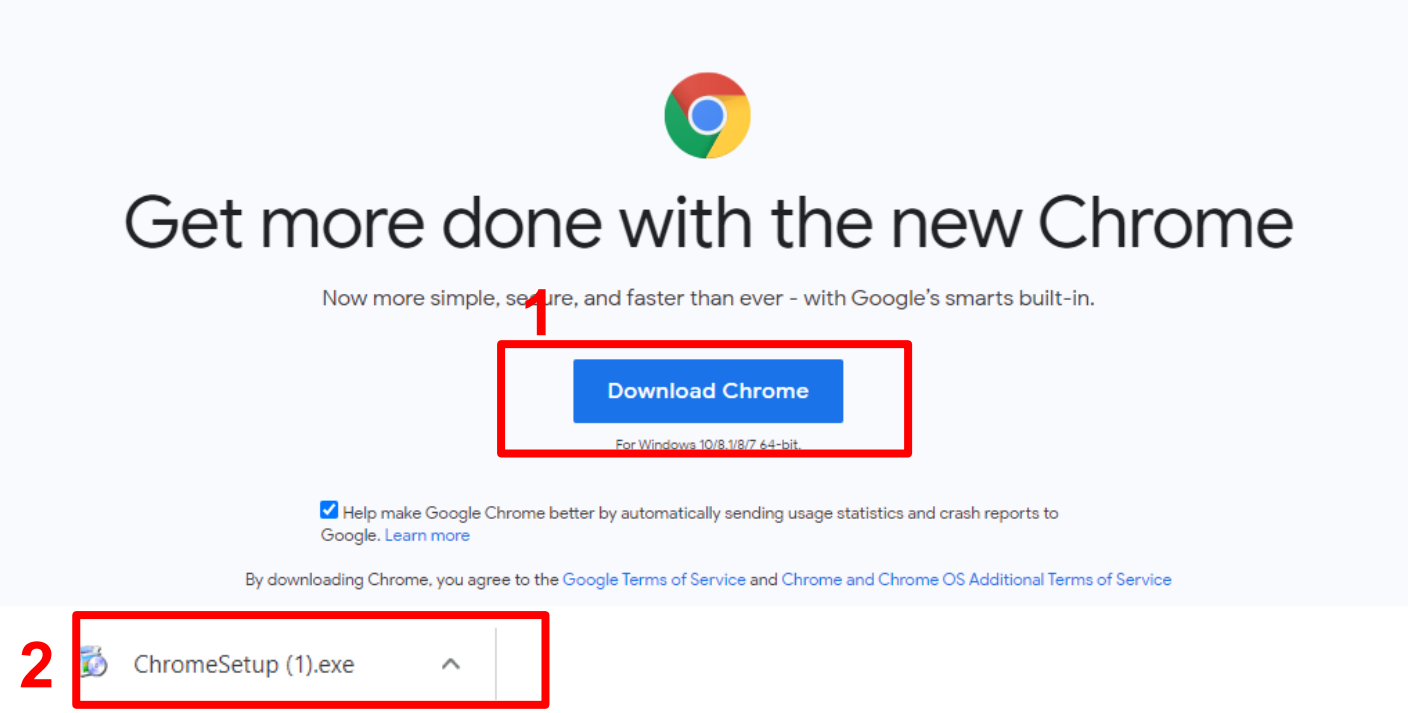
2. Install Web Browser

We strongly recommend to Install Google Chrome -

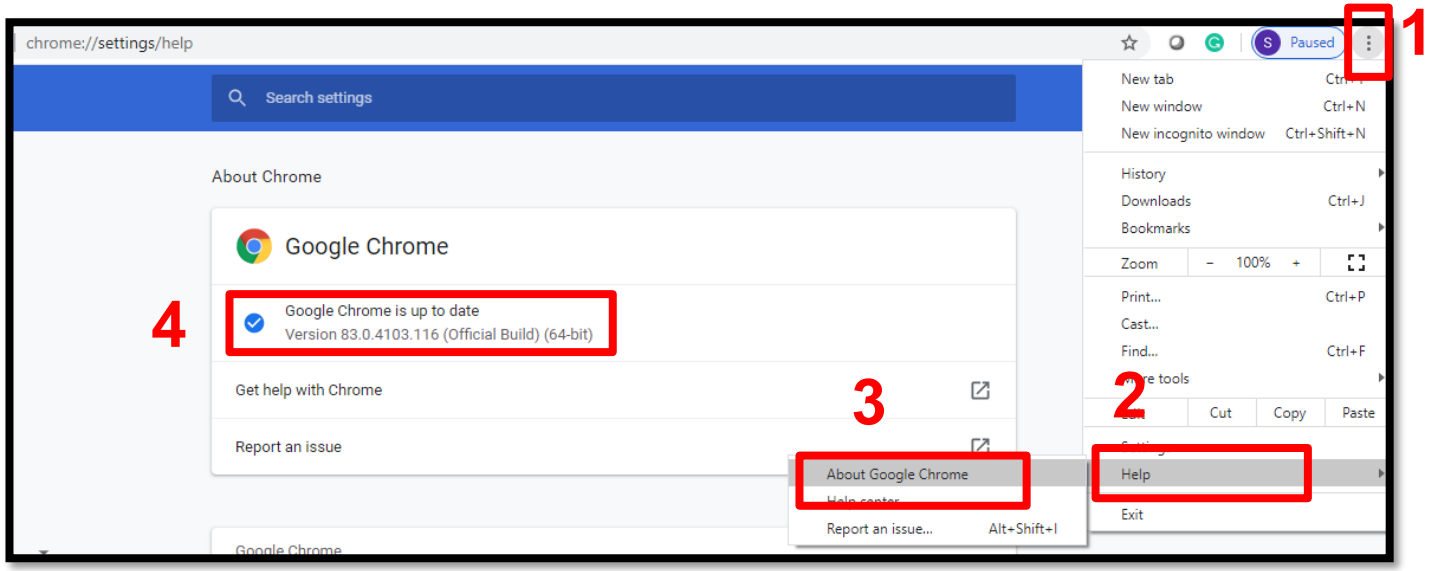
- ✓ Open https://www.google.com/chrome/
- ✓ Click ‘Download Chrome’
- ✓ If prompted, click Run or Save.
- ✓ If you chose Save, double-click the download to start installing



Return to Main Page
Return to Table of Content-System Requirement Laptop/Desktop

3. Update Web Browser

- ✓ On your computer, open Chrome
- ✓ At the top right, Click More
- ✓ Click Help ➡ About Google Chrome ➡ Click Update
  - Important : If you can't find 'Update' button, you're on the latest version
- ✓ Click Relaunch



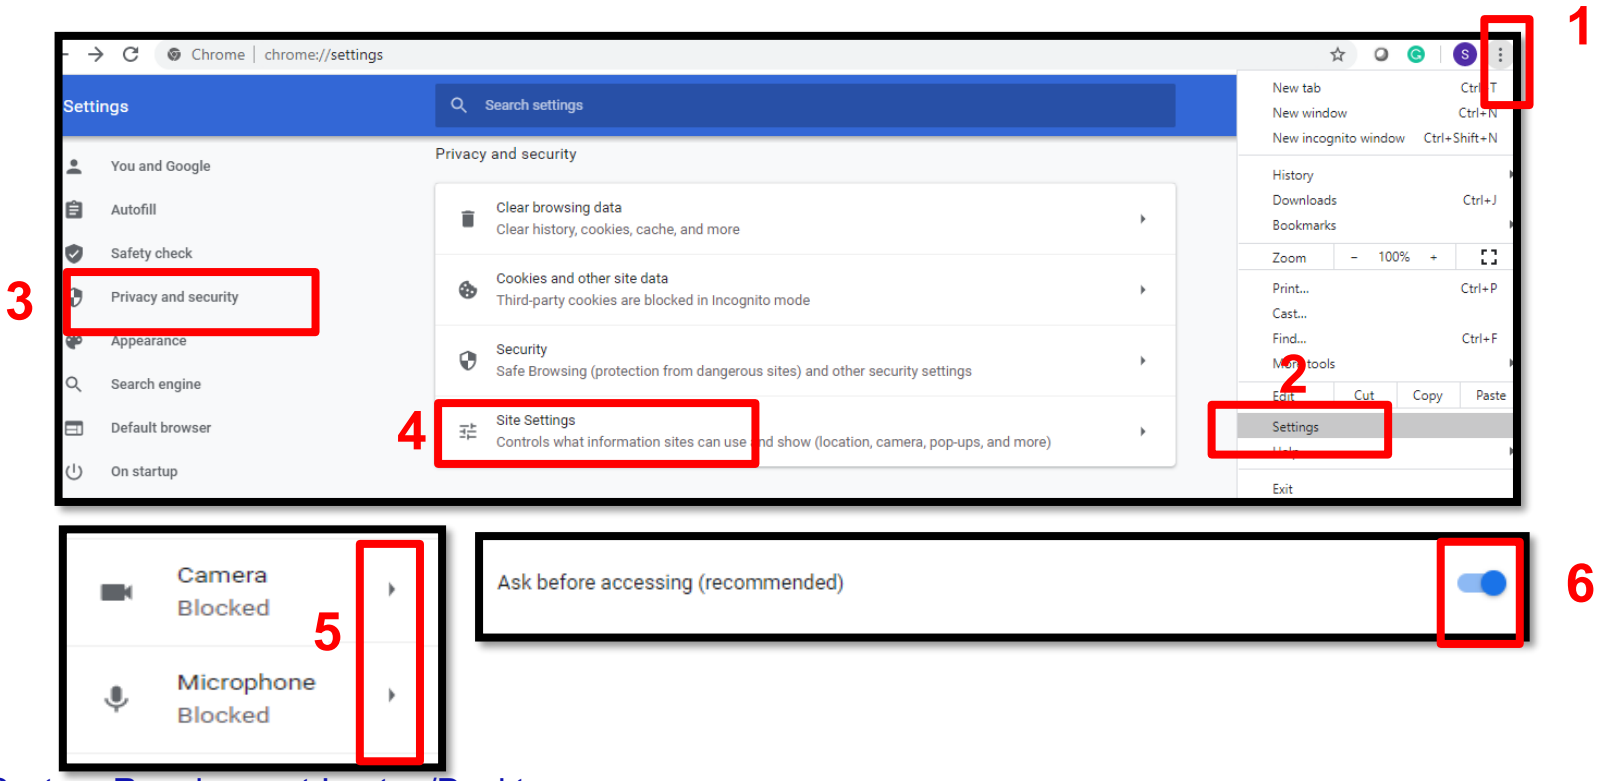
[Return to Main Page]

[Return to Table of Content-System Requirement Laptop/Desktop]

AON

4. Give Access to Webcam and Microphone

- ✓ On your computer, open Chrome
- ✓ At the top right, Click More
- ✓ Click ‘Setting’ ➡ Click ‘Privacy and Security’ ➡ Click ‘Site Setting’
- ✓ Allow Access to Webcam and Microphone



[Return to Main Page](#)
[Return to Table of Content-System Requirement Laptop/Desktop](#)

AON

5. Clear Cache from your System

- ✓ On your computer, open Chrome
- ✓ At the top right, Click More
- ✓ Click ‘More Tools’ ➡ ‘Clear Browsing Data’ ➡ ‘Clear Data’

6. Download and Install SAB Tool

- Before Installing SAB Tool, please ensure that your system is fulfilling all the requirements as mentioned in *System Requirement for Online Assessment*

- Steps to Download 'Secure Assessment Browser' tool -
  - *Click on the link below according to the Windows operating system running in your device*
  - *SAB-Proctor.exe will get downloaded*
  - *Double-click the .exe file. (It will usually be in your Downloads folder.)*
  - *A dialogue box will appear. Follow the instructions to install the tool.*
  - *The software will be installed.*

Links are on the Next Page:

For Win7

1. Candidate to try win7 from the link

For Win 8

1. Candidate to try win 8 from the link

For Win 10 & 11

1. Candidate to use win 10 from the link

1. *SAB installation is one-time activity and should be done before the 'System Check test'*
2. *Once installed, you do not have to re-install it for 'Final Assessment'*
3. *Click on SAB file directly to take Assessment*

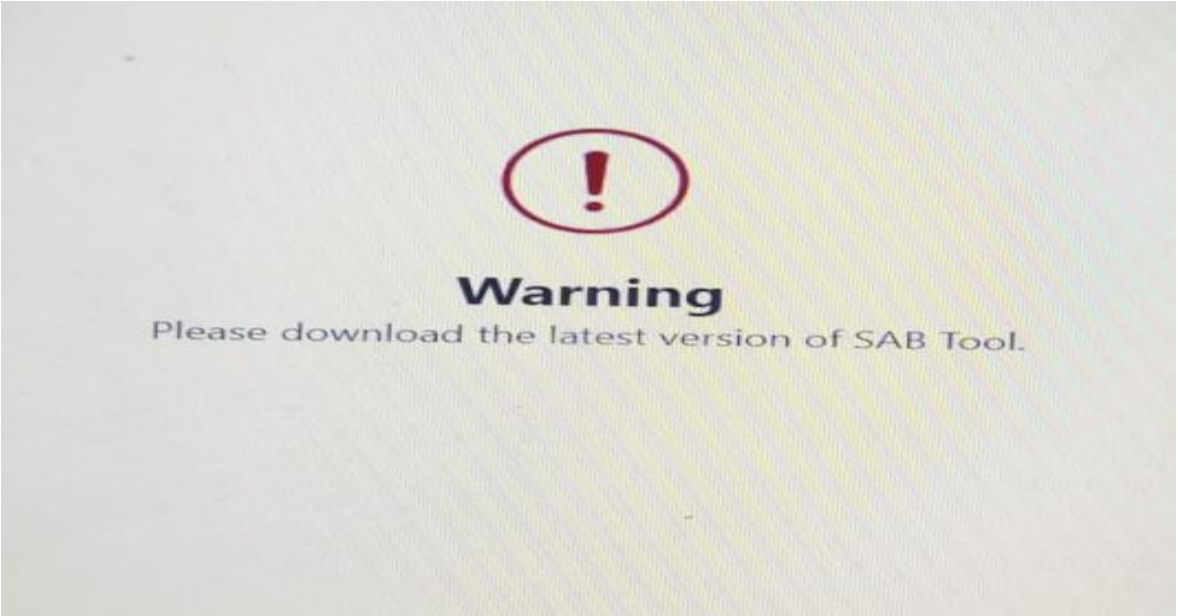
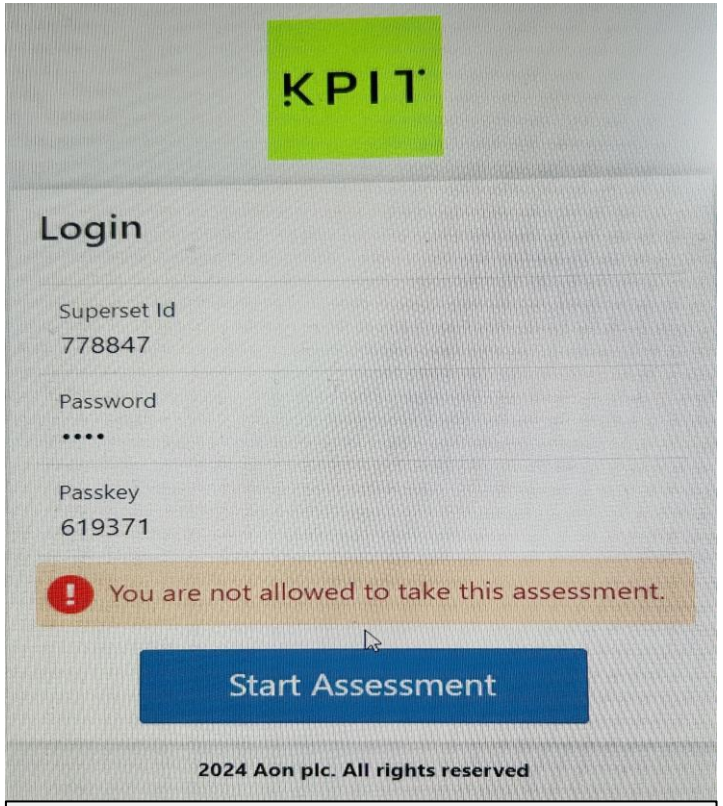
11. Possible Errors while opening Safe Assessment Browser (SAB) tool

You need to download the latest version of Sab tool provided below:

For Links to download SAB tool, please refer Page 9 and 10

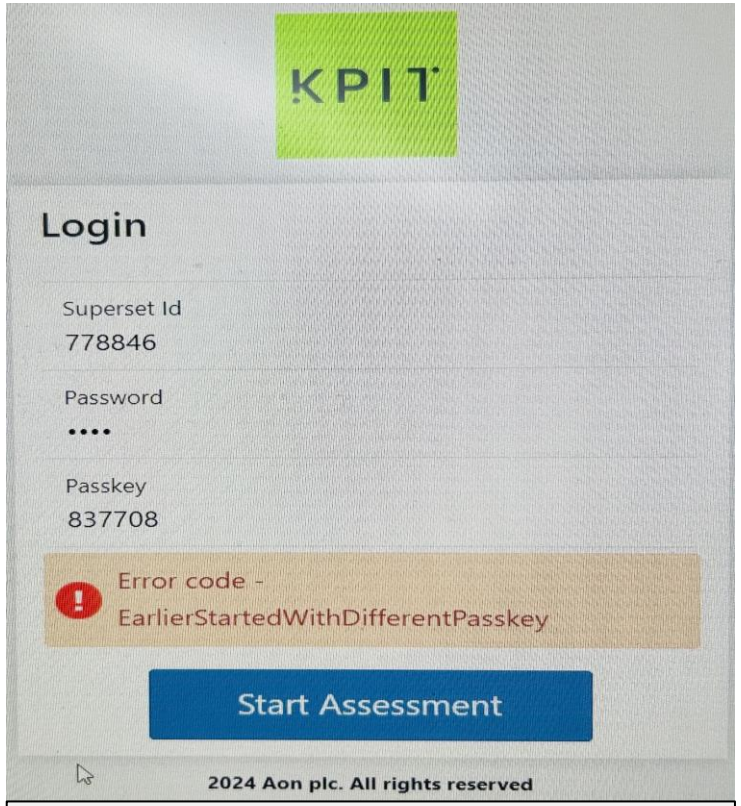


12. Possible Errors while starting the assessment on SAB Tool



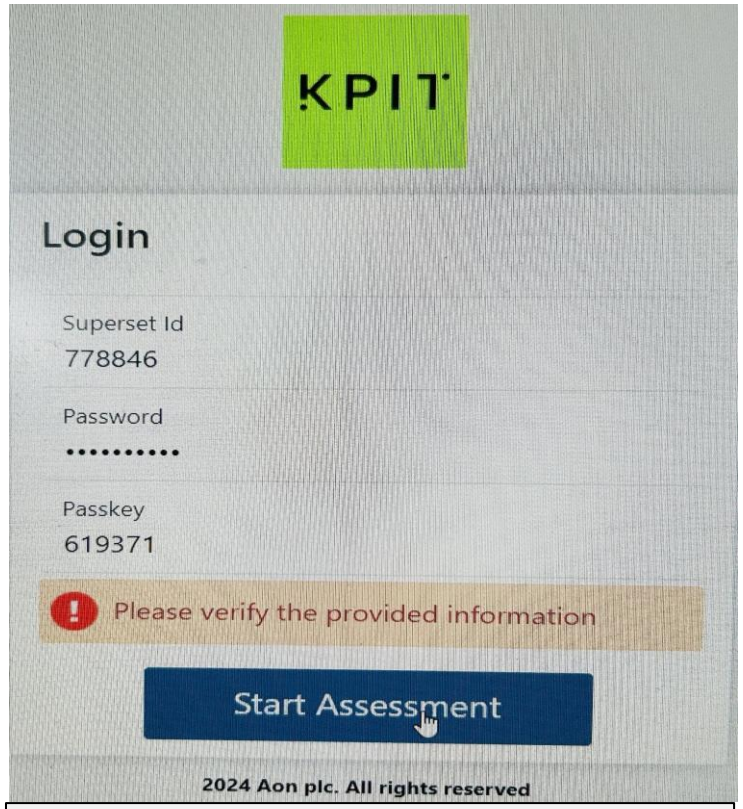
Error: You will get this error when you try to login after the login window is over.

Solution: Test will not start after the 30 minutes login window is over.



Error: You will get this error when you try to relogin using a different passkey instead of the earlier used passkey.

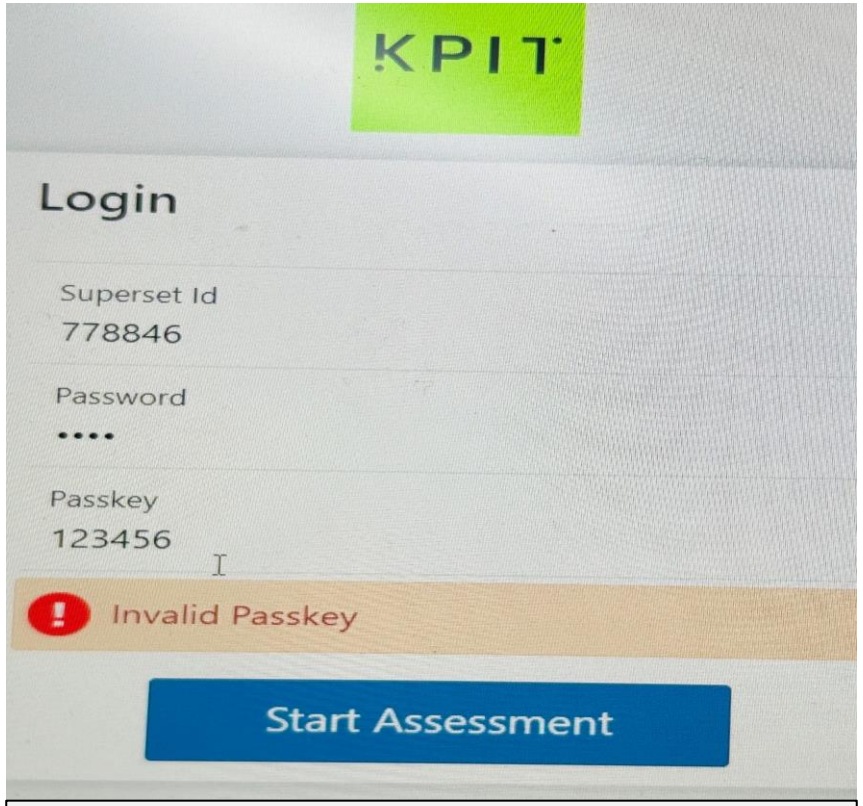
Solution: Test will only start when you enter the correct passkey which you have received from superset and started the test with.



Error: You will get this error when you are entering wrong password.

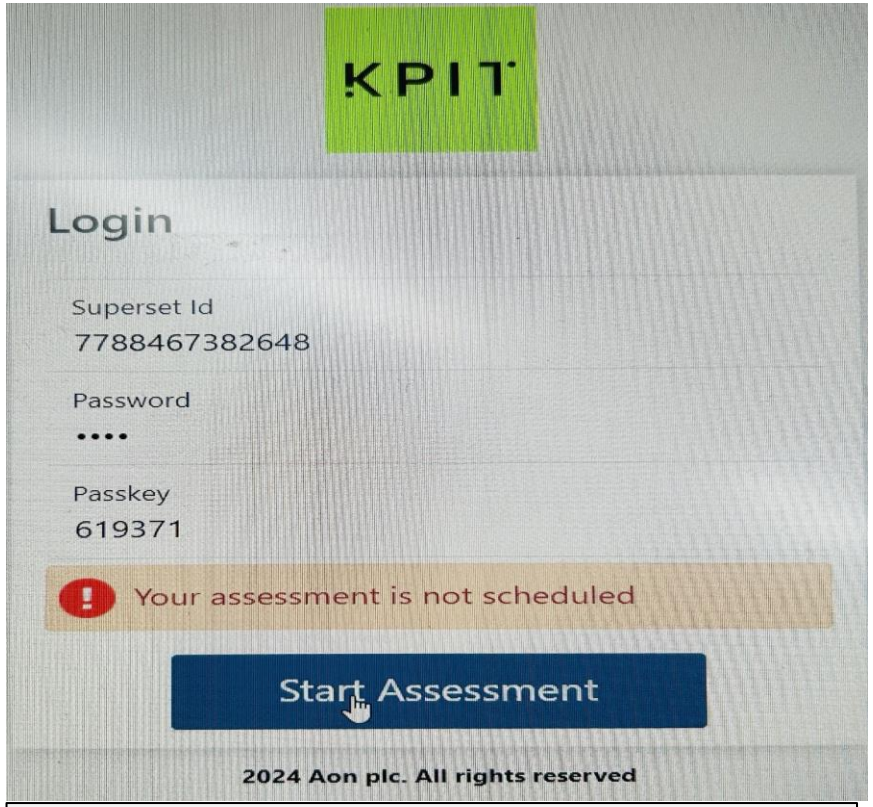
Solution: Test will only start when you enter the correct password which you would have received from Superset.

12. Possible Errors while starting the assessment on SAB Tool



Error: You will get this error when you are entering wrong passkey.

Solution: Test will only start when you enter the correct passkey which you have received from superset.



Error: You will get this error when you are entering wrong superset id.

Solution: Test will only start when you enter the correct Superset id which you would have received from Superset.

FAQ Section

Table of Content: FAQ – Laptop/Desktop

1. Login Error
   I. Error 1: Seems like you typed a wrong URL or followed a bad link

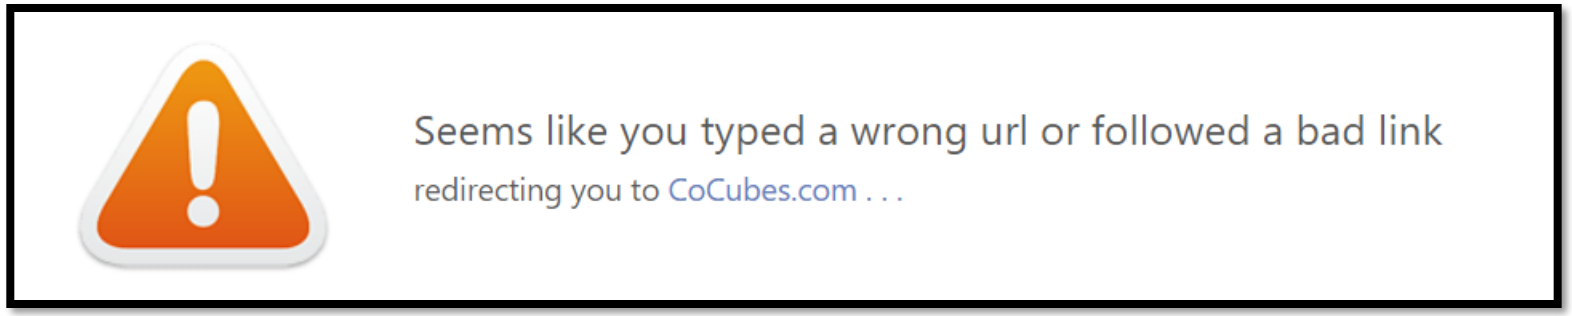
2. Internet Connection Error during Assessment
   I. Error 2 : Connecting with Server
   II. Error 3 : Submission Failure
   III. Error 4 : Unable to Proceed to Next Step
   IV. Error 5 : Registering to Partner
   V. Error 6 : Internet Failure during Gamified Round (Error 1)
   VI. Error 7 : Internet Failure during Gamified Round (Error 2)
   VII. Error 8 : Internet Failure during Gamified Round (Error 3)
   VIII. Error 9 : Unable to load paper

3. Audio/Webcam Error
   I. Error 10 : Webcam and Audio Proctored Assessment
   II. Error 11 : You need to attach webcam and microphone to support video proctoring
   III. Error 12 : Unable to setup audio proctoring (Audio is on mute)
   IV. Error 13 : Unable to detect face

Return to Main Page

Error 1 :Seems like you typed a wrong URL or followed a bad link

- This error occurs when you have entered the wrong Access token
- Please restart your laptop/desktop and relogin again
- Enter correct Access Token



Return to Main Page

Do’s and Don’ts

Table of Content – Do’s and Don’ts

1. Guidelines – Before the Assessment
2. Guidelines – On the day of the Assessment

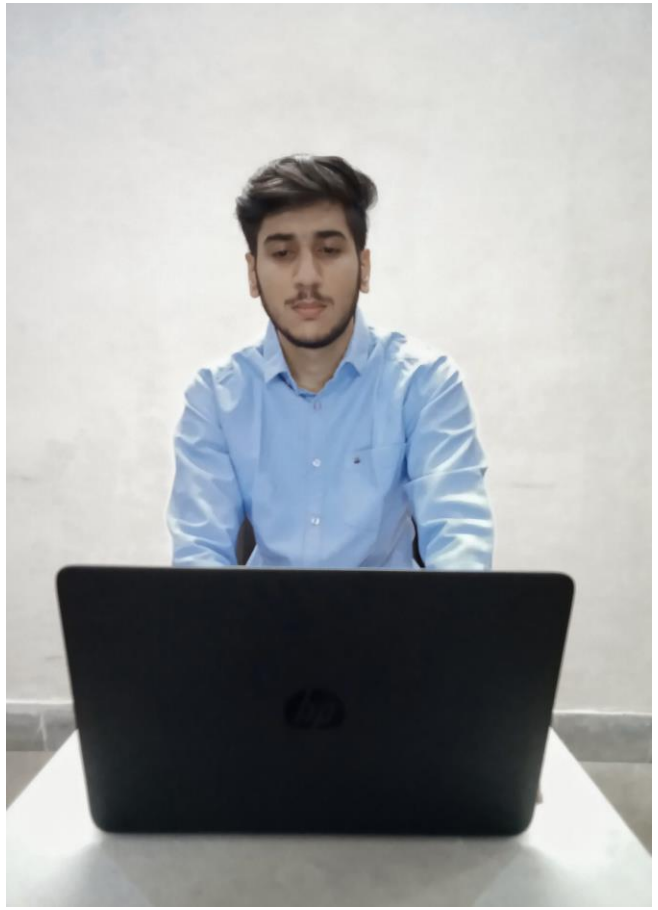
Return to Main Page

Guidelines – Before the Assessment

- ✓ Students can write their examinations by using their Laptop / Desktop at a specified time. Webcam connectivity is a must during the examination.
- ✓ Check ‘System Specification’ document and install SAB tool
- ✓ Students are required to ensure that both Webcam and Microphone are working properly
- ✓ If you have a laptop but suspect that uninterrupted internet connectivity is questionable in your area, it is recommended that you use your phone’s hotspot to provide either a primary or a backup connection to your laptop.
- ✓ Google Chrome browser (latest version) must be installed in Laptop/Desktop.
- ✓ It is important to install SAB tool at-least 4-5 days before the actual assessment day

Return to Main Page
Return to Table of Content – Do’s and Don’ts

Guidelines –On the day of the Assessment

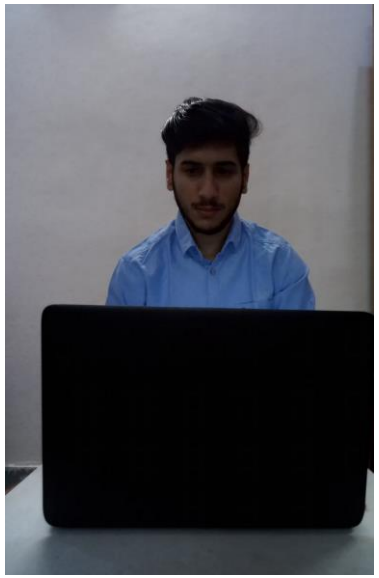


- ✓ Please sit in a quiet room with no background noise or people around.
- ✓ Ensure proper lighting in the room – S**ource of light must not be behind you**.
- ✓ Please ensure the wall behind you has a plain background with no objects hanging on it.
- ✓ Plan to start your system on the test day 15 minutes before the scheduled time. Start Assessment on time, you will not be allowed to appear after the scheduled time
- ✓ For the entire duration of the assessment, please remain seated in front of your webcam
- ✓ If you face any technical issue during the assessment, please refer to the FAQ Document. If not resolved, then contact your placement coordinator via email/call/message from another device
- ✓ Student should not indulge in any malpractice while writing the exam. Any misconduct observed by the proctor will be recorded and filed against you, which may lead to suitable disciplinary action.

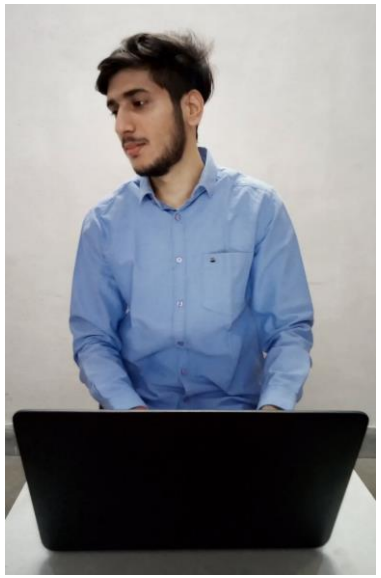
Return to Main Page

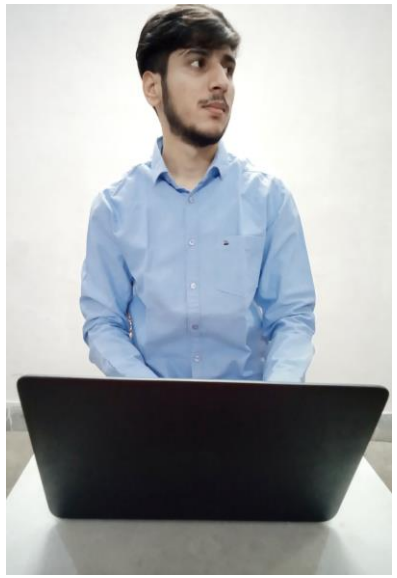
Return to Table of Content – Do’s and Don’ts

Guidelines –On the day of the Assessment



Do not sit in poor lighting





Do not look sideways during the assessment

Do not leave your seat during the assessment

- Any object like a Bottle, Pen, Paper, Gadgets, Calculator, Notebook, Headphones etc. should not be on your desk
- Do not mute your audio system or Do not cover or unplug your camera during the assessment
- Do not press Backspace or Refresh button during the assessment
- If you caught practicing any means of malpractice, you would be logged out of the assessment by the remote proctor
